Good afternoon, Ladies and gentlemen I am Yagyuu Hiroshi
We will begin with a gentleman lecture for middle-schoolers today
Today's guest is Jackal-kun
Hey
I'm Jackal Kuwahara
Let us educate our selves properly the as gentleman who enjoy a mild diversement that we are. Per severe to be like JJI
J J ?
An abbreviation for "Jentleman Jackal"
Aaaah...
Eh?

So, Jackal-kun
The first step is to hold the umbrella over the lady, but what would you personally do?
Well...
Today's subject is "rain"
We will learn about lady escort manners in rainy days
I don't mind getting soaked, so I would hold the umbrella so she doesn't get wet... right?
Yes
Gentle out!!
Eeeeh!? what is that pose!?
No matter how much of a gentleman are you
When it comes to love matters, it's fifty/fifty!
Both their shoulders getting damped
It is said that melts the heart of a lady!
Seriously!?

Brought to you by
ryuzaki_djs!!

Please credit, we
have put a lot of
very analytical work
on this release

Ummmh... I would want to dry her with a handkerchief but...
What would you do after in that case?
Let's continue because of unimportant matters, the lady got soaked
Too soft
Again!?
Gentle out!!!
It's wrong for a gentleman to be thoughtlessly caressing a girl so I would casually pass her a handkerchief
Normal people would think it's creepy to suddenly start singing under the rain!
Singing in the rain
Will rouse a girl's inner desire to open up!!
HUH!?
In this case, it would be preferable if both of them got soaked

Eh... emh, a gentleman would cross to the other side first and...
How should a gentleman behave so the lady may safely cross?
Gentle out!!
There's no time! Hurry up!!
That was fast!
Oooops, you spot a giant puddle!!
What is this sudden turn of events?
Stop it right there, Nioh-kun
Lady, please cross over me!!
What if the gentleman cannot make his way by himself?!
You look like you might have a hidden purpose!!?

My gentleman's patience has worn out
There are two Yagyuus ?
That voice !?
Ah! After everything that happened, you are still saying that !?
No, no, the impostor is over there y'know
So that means you're an impostor !?
Please stay tuned at the same hour next week for a gentleman vs gentleman match Thank you for watching
As you wish, Nioh-kun!!
Then let's see who's the real one in a tennis match!
Oh
Only one gentleman is enough Ok, Nioh-kun? Yes One
Ehi? Isn't it better to have many gentlemen!? It's wrong to leave everything to one person, right!?
